I am applying for a position in the National squad. My current coach and I believe that I have the ability, skills, stroke-work and training ethic to be in the National squad.

I also understand that:

1. Promotion is dependent on availability in the next squad
2. I will not be promoted until the next period of intake if there is no space in the next squad, I will be placed on a waiting list for when a position becomes available.
3. If I no longer make criteria at the time of promotion I will not be promoted.
4. I must also meet the expectations of the squad at all times.
5. My application will be reviewed by the **Squad Promotions Panel** for final approval.
